Innovation Forum

September 2023

SuDS+ engagement timeline & milestones (2023)

Let's shape the future of Stanley South together!

These are our initial vision statements for Stanley South:

- 1** Enhance community resilience to flooding

- 2** Create a sense of pride and ownership over the local environment

- 3** Create beautiful, vibrant and diverse public spaces accessible to all

- 4** Strengthen local community-led networks, groups and services

- 5** Provide training and education for the workplaces of the future

- 6** Help to create local job opportunities and support existing & new businesses

- 7** Support affordable living costs and improve the quality of housing

February 2023 Engagement - Validating the vision statements

- Info Points at community venues
- Over 300 responses
- Respondents asked which were the most important to address
- Vote on top three vision statements (1st, 2nd 3rd)

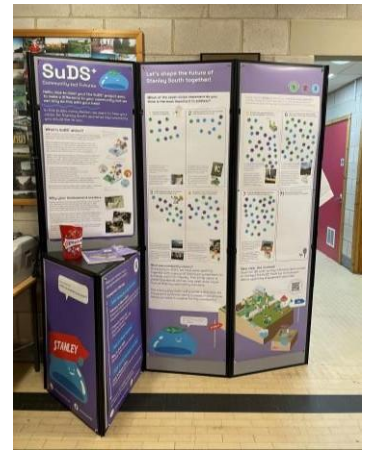

SuDS+ Community-Led Futures

SuDS+ is a Stanleypark initiative project which aims to improve the quality of life in Stanley through the planning of exciting, imaginative and innovative ideas for the future of Stanley.

SuDS+ Engagement Calendar

SuDS+ Community-Led Futures

Which of the seven vision statements do you think is the most important to address? Note down your top three statements

<p>Location:</p> <p>Date:</p> <p>Tell us where do you live?</p>	<p>1 Enhance community resilience to flooding</p> <p>As a Stanley, South community, we need to have a better understanding of how flood risk is assessed and the potential for flooding.</p> <p>SuDS+ needs to provide the knowledge and tools for community members to assess flood risk and plan, and control how to reduce the risk and the impact.</p>	<p>2 Create a sense of pride and ownership over the local environment</p> <p>As a Stanley, South community, we need to feel more ownership of the local environment and to be able to plan and act on things that will make a difference to the future.</p> <p>SuDS+ needs to create a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p>
<p>What do you like about Stanley?</p>	<p>3 Create beautiful, vibrant and diverse public spaces accessible to all</p> <p>As a Stanley, South community, we would like to see a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p> <p>SuDS+ needs to create a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p>	<p>4 Strengthen local community networks, groups and services</p> <p>As a Stanley, South community, we need to feel more ownership of the local environment and to be able to plan and act on things that will make a difference to the future.</p> <p>SuDS+ needs to create a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p>
<p>What do you think could be improved?</p>	<p>5 Provide training and education for the acquisition of the future</p> <p>As a Stanley, South community, we need education and training to help us to plan and act on things that will make a difference to the future.</p> <p>SuDS+ needs to create a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p>	<p>6 Help to create local opportunities and support existing if new businesses</p> <p>As a Stanley, South community, we need to see more opportunities for new businesses and to be able to plan and act on things that will make a difference to the future.</p> <p>SuDS+ needs to create a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p>
<p>Notes/Feedback/Considerations:</p>	<p>7 Support affordable living costs and improve the quality of housing</p> <p>As a Stanley, South community, we need to see more affordable housing and to be able to plan and act on things that will make a difference to the future.</p> <p>SuDS+ needs to create a sense of pride and ownership over the local environment and to be able to plan and act on things that will make a difference to the future.</p>	<p>?1 Are we missing anything? Use the pen to add your comments.</p>

Stanley The Raindrop Counting The Votes!

SuDS+ | Vision for Stanley Results
Community-Led Futures

stanleysuds.co.uk
stanleysuds

SuDS+ is a Defra-funded innovative project which aims to resolve the way we tackle water challenges, led forward by working together with local groups.

1st top voted: Help to create local job opportunities and support existing & new businesses.

2nd top voted: Support affordable living costs and improve the quality of housing.

3rd top voted: Provide training and education for the workforces of the future.

4th top voted: Create a sense of pride and ownership over the local environment.

5th top voted: Create beautiful, shared and diverse public spaces accessible to all.

6th top voted: Strengthen local community-led networks, groups and services.

Thank you to the 318 people who voted for their priorities. The vote was very close with only 5 votes separating 3rd to 6th.

Scan the QR code to find out more & how to get involved.

SuDS+ Engagement Calendar
Continuing our engagement programme throughout the Summer to work with residents on the future of Stanley.

✓ SuDS+ Starting Booth-Mission Activities **Completed**

SuDS+ Co-design Workshops

SuDS+ Prioritisation Activities

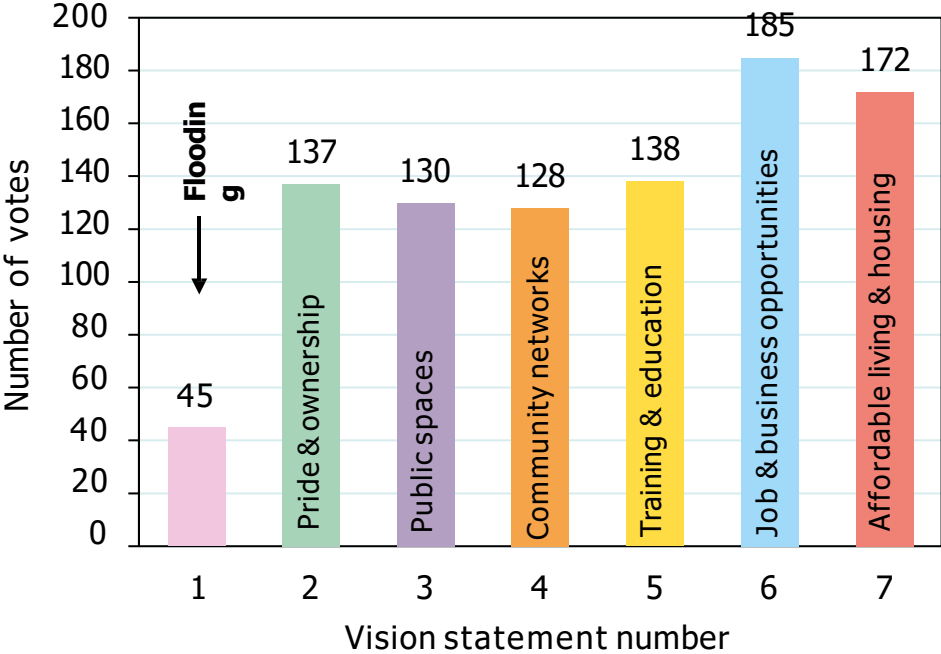

February to March: Voting on which local issues the project should aim to address.

May: Realise SuDS+ opportunities & identify locations together with other community members.

June to August: Decide which opportunities could be implemented.

Environment Agency, Northumbria Fire and Rescue, Durham, SuDS+, UCL, University of Newcastle, Viscosity, Isle, ARUP
